MADE IN
ITALY

Features & Benefits

Durable Stainless Steel

Designed with ease in mind, Belling gas cooktops are made from a single piece of premium stainless, making it ideal for easy cleaning.

5 Burners with Left Side Wok

Italian made burners including triple crown wok burner provide precise control and even heat distribution; perfect for a variety of foods

Cast Iron Trivets

Heavy duty cast iron trivets provide a stable cooking surface so pans can easily move across the burners. Includes a cast iron wok trivet

Flame Safety

Flame safety devices in every burner. If the flame goes out accidentally, the gas cuts out automatically

Easy to Use Controls

Easy to access front controls include one-hand electronic ignition via each control knob

Belling Family

Matching finishes to the Belling Black Series ovens provides a sleek look to any kitchen
